## GENERAL INFORMATION

Aligarh Muslim University (AMU) is one of the oldest premier Central Universities of India with a unique and rich culture of its own. It owes its existence to the selfless and untiring efforts of the great visionary **SIR SYED AHMAD KHAN**. Deeply moved by the socio-economic and educational plight of his community after the First War of Independence of 1857, he was quick to realize that the panacea for these ills lay in inculcating the spirit of free enquiry and modernism in the community. His exposure to the British Universities, particularly those at Oxford and Cambridge, and their public schools, inspired him with a new vision of a harmonious pattern of culture, combining the best elements in the cultures of the East with the arts and sciences of the West. In 1875 he founded a High School at Aligarh, which, within three years, was raised to a College known as *Mohammadan Anglo Oriental College* which metamorphosed into Aligarh Muslim University in 1920 through an Act of Parliament.

Due attention was also paid to the education of girls. In 1942 the Muslim Girls' School was raised to the status of a full-fledged Degree College for Women. Since 1951 it is one of the several institutions maintained by Aligarh Muslim University. Undergraduate women students in the Faculties of Agricultural Sciences, Arts, Commerce, Life Sciences, Science and Social Sciences receive instructions in the Women's College.

In tune with the ideals of Sir Syed Ahmad Khan and with the aim to impart quality education to a larger section of the community, Aligarh Muslim University proposed opening of AMU Centres at different locations throughout the country. The proposed Centres were envisaged to grow and be replicas of the University. In the year 2010, AMU Centre at Malappuram, Kerala and AMU Centre at Murshidabad, West Bengal came into existence with students being admitted to courses in Law and Management. In the year 2013, AMU Centre at Kishanganj, Bihar was also established and B.Ed. programme was started at all three Centres.

Aligarh is situated in the middle of Doab – the land between the Ganga and Yamuna rivers, at a distance of 130 km Southeast of Delhi on the Delhi-Howrah rail route and the Grand Trunk Road.

The latitude is 27°54' N and longitude is 78°05' E. The climate is hot and dry in summer and cold and dry in winter with an intervening rainy season. The University campus is 2 kms away from the Aligarh Railway Station.

Malappuram is the headquarters of the district of the same name in the state of Kerala. It literally means 'a land on top hills' and is situated 50 km southeast of Kozhikode, bounded by the Nilgiri hills in the east, the Arabian Sea in the west and Thrissur and Palakkad districts in the South. The Malappuram district extends from 10° and 12 ° N latitudes and 75 ° to 77 ° longitudes. The climate is generally hot and humid with the annual range of temperature varying between 20 °C and 30 °C.

Murshidabad district got its present name from the Nawab Murshid Quli Khan who made Murshidabad the capital city of Suba Bangla, comprising the Bengal, Bihar and Orissa. The district of Murshidabad is situated to the south of the Ganga River in West Bengal. It extends from 23° 43' to 24° 52' N latitudes, and 87° 49' to 88° 44' E longitudes. Murshidabad has a tropical wet and dry climate and the monthly mean temperature varies from 17 °C to 35 °C.

Kishanganj was initially known as Nepalgarh. During Mughal period its name got converted to Alamganj which was subsequently renamed as Kishanganj. Kishanganj district was carved out of Purnea in 1990. It is located between 25° 20' and 26° 30' N latitudes, and 87° 7' and 88° 19' E longitudes. The temperature varies between 5°C to 41°C with an average temperature of 27°C

Students are normally allocated a Hall of Residence at the time of admission. A Hall of Residence is a cluster of hostels administered by a Provost. Facilities such as Reading Room, Common Room, indoor and outdoor games are available in almost all Halls of Residence.

It is important to note that in view of the limited hostel accommodation, the candidates should clearly understand that the grant of admission to a full-time course of study in the University would not ensure allotment of hostel accommodation. Candidates admitted to Evening / Part Time Courses shall not be provided hostel accommodation.

Local students or those students who are not desirous of residential accommodation are designated as non resident students. Non-Resident male students are allocated Non-Resident Students Centre (NRSC) while the female students are attached with one of the Hall of Residence for women students.

**DISCIPLINE:** The University Proctor and his associates are responsible for maintaining discipline and security in the campus. Deans of Faculties, Principals of Schools / Colleges / Polytechnics and Chairmen of Departments of Studies ensure orderly behaviour of the students in the Faculties, Colleges / Polytechnics / Schools and Departments respectively, while Provosts and Wardens do the same in the Halls of Residence.

**RAGGING:** Ragging is banned in the University campus and is a punishable offence as per AMU Student's Conduct and Discipline Rule, 1985.
